Dear Friends of Joe McCombs,

As you may or may not be aware, **Joe** has officially announced his candidacy to become the next Magisterial District Judge in Magisterial Judicial District 50-3-06. This Judicial District is comprised of Callery Borough, Connoquenessing Borough, Evans City Borough, Harmony Borough, Mars Borough, Valencia Borough, Zelenople Borough, Adams Township, Connoquenessing Township, Forward Township, Jackson Township and Lancaster Township.

In order for **Joe** to succeed, we ask that you show your support by making a generous donation to his campaign. Just as importantly, should you have the time, we ask for your help in getting boots on the ground to assist in spreading the word about **Joe's** candidacy; educate people about **Joe's** experience; and lastly, let the electorate in all the Boroughs and Townships making up this District know, that **Joe** is someone who has proudly **SERVED** his community (which is located in their District) for the last 31 years.

Both **Joe** and his wife of 28 years, Lisa, were born and raised in Evans City, as were their three daughters, Payton, Baylee, and Kenzie. Like **Joe**, Lisa has also served her community for many years in the capacity of an elementary school teacher with the Seneca Valley School District.

In 1990, **Joe** began his career in his own backyard as an Evans City Police Officer. Just six short years later, in 1996, he was promoted to the position of Police Chief in what was then known as the Evans City Police Department and now known as the Evans City/Seven Fields Regional Police Department. He has served as Police Chief for the past 25 years. Joe has also managed police professionals and civilians with millions of dollars in budgeted funds and is primed to take on a new challenge.

Joe's only opponent to date, although a good person, has little to no life experience in the areas in which a Magisterial District Judge is called upon to make decisions. In contrast, **Joe's** extensive experience in law enforcement would allow him to hit the ground running. He is hands down the most qualified candidate and has throughout the years proven time and time again that he is a man of integrity. With his 31 years of public service, he has undoubtedly earned both the respect and confidence of this District's citizenry. Those are just some of the many reasons we need to work incredibly hard to get **Joe** elected.

This campaign will require a strong and organized grassroots organization. That is why we, the Committee and candidate McCombs, are hard at work, but there's still a lot of work to be done. With brochures, flyers, yard signs, advertising to place and areas to canvas, we cannot do this alone. We are inviting people that either know Joe, or believe him to be the best candidate, to join his campaign and help make a real difference.

Please send your contribution in the form of a check to the above listed address. Please also include an e-mail address where an acknowledgement of your contribution may be forwarded for your records.

It is **Joe's** hope, that with your help, he will succeed in achieving his goal and continue to serve **HIS COMMUNITY AND DISTRICT** well into the future!

Best regards,
The Committee to Elect Joe McCombs
